Dear Teachers,

121Reach is a youth led and founded non-profit tutoring organization in which high school students tutor middle school students after school. The program is based on a one-to-one structure that both allows for focused learning tailored to individual needs and fosters positive relationships. 121Reach is very important to Chattahoochee-Taylor Road culture and can be used as a tool to help a wide range of students reach their academic goals. Please help us evaluate this candidate for 121Reach honestly and thoroughly. These recommendations will remain confidential. Completed recommendations should be given to Mr. Folkins in the media center by February 16th.

Thank you!
